JAPAN TO RECEDE FROM HER STAND

Will Not Insist She be Allowed Increase of 10 Percent in Capital Ship Tonnage

UNDER AMERICAN PROGRAM

Steps Toward Early Consideration of Land Armament and Control of War Agencies Taken

(By United Press)

Washington, Nov. 23.—Japan has agreed to recede partly from her hitherto insistant stand that she be allowed an increase of ten percent in capital ship tonnage under the American program for limitation of naval armament.

This was learned on highest authority as the naval armament committee of the arms conference met to discuss this situation. Admiral Baron Kato, minister of the Japanese navy, was expected to announce the Japanese decision at the meeting today.

Definite steps toward an early consideration of land armament and control of new agencies of warfare was taken by the arms conference today.

The conference sitting as a committee on limitation of land armament ordered the two subjects referred to the sub-committees consisting of heads of delegations for determination of procedure.

Meanwhile Briand may bring before the committee the question of France and Italy's sea forces but this was expected to cause little difficulty.

The American advisory committee has been put to work on plans to minimize the horrors of war. Abolition of submarines or limitation of the size, use of poison gas, the bombing of cities and the determination and use of any weapon were among the questions submitted to the sub committee of the advisory committee.

Britain seems to be taking preparatory steps toward the dissolution of the Anglo-Japanese alliance with the possibility that it may be brought before the Far Eastern committee late today.

Briand replied to the statement that Germany was ready to give a definite guarantee in an international tribunal to allay French fears and stated that the best guarantee the Germans could give would be the fulfillment of the Versailles treaty.

WIFE DESERTER ALLOWED FREEDOM

Edwin Price Pleads Guilty in Circuit Court and is Freed Under Suspended Sentence

ARGUMENT IN NEWHOUSE CASE

Edwin Price who was arrested last week on a charge of wife desertion, and who pleaded not guilty, was arraigned this morning before Judge Sparks and entered a plea of guilty, to which he was given a sentence of from 1 to 3 years in the state prison. He was given a suspended sentence, during his good behavior. Price gave his age as 42.

The case of H. B. Wilson and Wylie McKee against the Metal Specialties Manufacturing company of Milroy, was continued yesterday, when the two parties failed to reach an agreement. The complaint was to collect on a note, and was scheduled for trial in the court yesterday.

A case from Greenfield was venued here today from the Hancock circuit court, of Goldyn F. Grigsby, administrator of the estate of Sherman W. Grigsby, against the Terre Haute, Indiana, and Eastern Traction company, a suit for damages, as the result of a fatal accident near Greenfield.

The arguments were heard this morning on the motions to quash the two indictments against Alva Newhouse, Jackson township trustee who was indicted by the grand jury recently. The defendant alleged that the two indictments were faulty, and that on one charge there was no heading under the statute by which the case could be prosecuted. Judge Sparks took the arguments under advisement.

TRAIN DELAYED TWO HOURS

Tender of L. E. & W. Engine Jumps Track Northeast of Here

The L. E. & W. train due here shortly after noon yesterday jumped the track near the Aelxander farm, just northeast of Rushville, and the train was delayed two hours while the locomotive was placed back on the track. The engine, pulling a train of ten cars, was backing toward Rushville, and the front trucks of the tender left the rails. On account of the train going slowly, it was stopped before the engine got entirely off the track. Members of the train crew and section men worked with jacks and other tools, and placed the tender on the track without calling for a wrecking crew.

PAGEANT CLOSES THE CONVENTION

Many People Are Turned Away at Final Session of Annual County Sunday School Meeting

STATE WORKERS SPEAKERS

Pageant by St. Paul's M. E. Sunday School Demonstrates Power of Truth in Freeing World

By far the best county Sunday school convention ever held here, from the standpoint of attendance as well as good accomplished, closed at the First Presbyterian church with short talks by workers from the state association who were present, and with the presentation of a pageant entitled "Truth", by St. Paul's M. E. Sunday, which demonstrated the aims of the Sunday to remove the shackles from the world and bring it to Christianity.

At the close of the afternoon session, which was even better attended than the one in the morning, the report of the nominating committee was adopted unanimously, electing the officers who were suggested by the committee and whose names were published Tuesday.

The church was crowded Tuesday night and many people were turned away because even the standing room was at a premium. Before the presentation of the pageant, E. A. Albertson, general secretary of the state association, and Miss Florence Carmichael, children's division worker, spoke briefly regarding their work.

Mr. Albertson presented the aims of the state association in a concise way, pointing out that only through the leadership of Christian men and women in a community, could the community ideals be raised and the environment for young people be bettered.

The speaker said that through the Sunday schools Christian leadership could be developed, but that the effort must be continued.

HARDING SIGNS THE CAMPBELL-WILLIS BILL

Measure Puts to An End the Manufacture And Sale of Medicinal Beer Recently Permitted

PUTS BAN ON REGULATIONS

(By United Press)

Washington, Nov. 23.—President Harding today signed the Campbell-Willis beer bill which puts at an end the manufacture and sale of medicinal beer.

The medicinal beer regulations were promulgated about a month ago and a total of 17 breweries were granted permits to manufacture the pre-prohibition article.

Secretary of the Treasury Mellon now will issue a ruling withdrawing the beer regulations.

An attack on the constitutionality of the Campbell-Willis bill may be made. Several of the brewers hold that congress infringed on the constitution in barring the manufacture and sale of medicinal beer and this view is supported by some government officials.

MUSIC PUPILS TO APPEAR IN CONCERT

Rushville People Will be Given Opportunity to See What is Accomplished in Schools

FUNDS TO BUY INSTRUMENTS

Visit to One Building Reveals Keen Interest by Children in Music—"Baby Band" Organized.

Rushville people will be given an opportunity in the very near future it is promised, to see what is being accomplished in the Rushville schools in training the pupils in music. Miss Sarah McConnell, supervisor, is planning a concert at which the justly celebrated "baby band" and the junior high school and grades orchestra will perform. Other grade pupils will also take part in the recital.

The proceeds will be used to purchase music for this department and likewise to buy instruments for pupils who desire to join the orchestra, but whose parents are unable to provide them.

Miss McConnell paid a very hearty compliment today to the teachers of the Rushville schools for the co-operation they were giving her in all her undertakings in the music department. The supervisor, who is now in her first year's work in Rushville, is a genius for interesting children in music, a visit to the schools revealed today.

This is apparently the reason for the interest the teachers are showing in this phase of the school work and for the support which they are giving Miss McConnell. As well as making the course in music constructive, Miss McConnell is also teaching an appreciation of music, which she believes will arouse in pupils the desire to know music.

Since the organization of the junior orchestra, twenty pupils have bought instruments and approximately twenty more expect to join the organization after Christmas because they are promised instruments as gifts.

A visit to the music classes of four rooms in one building this morning revealed a rejuvenated music course. The proverbial Jack is no longer a dull boy when it comes time for a lesson in the rudiments of music, and Mary is alert, with eyes popping and ears strained when she is asked about the intricacies of clefs, bars, sharps and terms with which she is fast becoming familiar.

The visit of a representative of the Republican disclosed that there is one teacher in the Rushville schools who believes forewarned is to be forearmed. (It wouldn't be fair to give the name of the school or the room, but the incident demonstrates that it is a most difficult thing to get anything past an alert child).

This teacher heard that a visitor was coming to the music class this morning and she took time by the forelock to get ready.

TRAINS DETOURED DUE TO FREIGHT WRECK

Loaded Freight Cars Are Derailed on C. I. & W. Railroad Today, Blocking Traffic

TRACK TORN UP 1 OF MILE

Traffic on the C. I. & W. railroad was impaired today on account of a wreck a few miles west of Liberty, where 20 loaded freight cars were derailed about 7:30 this morning. The track was torn up for a quarter of a mile and the cars piled up along the right-of-way, blocking all traffic.

A portion of a bridge was torn away. All passenger trains were annuled today, and eastbound passenger number 35, due here at seven o'clock was detoured at noon today over the Big Four from this city to Cincinnati.

It was expected that the track would be cleared sometime tonight. The freight was a double header, running westward, and a defective car is believed to have caused the wreck. No one was injured.

TAX COLLECTIONS OVER ONE MILLION

Total Paid in Current and Delinquent Taxes in County Amounts To \$1,052,823.93

RUSHVILLE CITY LEADS ALL

Of The Total Collected, \$1,040,079.79 Was Current Taxes and \$12,744.14 Delinquent

Tax collections in Rush county this year amounted to \$1,052,823.93, according to an announcement today by Charles A. Frazee, county treasurer, who has just finished making the compilations by townships, following the close of the period for paying the fall installment November 8. Of this total, \$1,040,079.79 was current taxes and \$12,744.14 was delinquent taxes.

Rushville city, of course, led all other units in the county with collections, both current and delinquent amounting to \$186,000.93. Anderson township was next highest, collections there amounting to \$89,187.74, and Posey township was third in the list with \$83,734.20. The collections in each unit were as follows:

City of Rushville, \$186,000.93; Carthage Corporation, \$31,295.82; Glenwood Corporation, \$4,966.94; Ripley, \$69,200.73; Posey, \$83,734.20; Walker, \$78,368.79; Orange, \$60,550.28; Anderson, \$89,187.74; Rushville, \$80,515.41; Jackson, \$61,908.52; Center, \$66,972.43; Washington, \$54,320.67; Union, \$74,161.97; Noble, \$64,975.59; Richland, \$46,663.91. Total \$1,052,823.93.

Collections in terms of current and delinquent taxes were as follows:

COUNCILMEN BACK FROM OHIO TRIP

Soon After Their Arrival From Inspecting Fire Engine Pumps, Three Arrive in City.

TO MAKE DECISION SOON

The four members of the city council returned late last night from a trip to three factories in Ohio, manufacturing fire apparatus, and they will reach a decision in the matter in a few days when Mayor Scudder arrives home from Detroit. The councilmen visited the factories of the White Fire Engine company in Cleveland; the Seagraves company at Columbus, and the Ahrens-Fox company in Cincinnati.

The four councilmen who made the inspection trip were A. P. Waggoner, Chase Mauzy, Frank Abernombie and Walter Pearce.

Three fire truck companies had motor pumps in Rushville today, all of them being enroute to cities. The Howe Company of Anderson, an assembled truck built on a Reo chassis was here first, and a large Ahrens-Fox pumper enroute to Chicago also stopped off for a visit with the officials. The Seagraves Company of Columbus, O., was scheduled to arrive here late this afternoon with a pumper for Chicago, and they would probably remain here overnight.

SUFFERS BROKEN ARM

G. P. McCarty sustained a broken right arm, near the wrist, last night, when his automobile "kicked," while he was attempting to crank it.

FIRST TOWNSHIP REPORTS

Richland Doubles Its Quota in Near East Relief Campaign

The first township to report in the Near East Relief drive, is Richland, according to a report received today at the county agent's office, where Donald Ball is chairman for Rush county. The township doubled their quota, both in money and grain, and 213 bushels of corn was pledged by the farmers, which will be turned over to the committees as their portion for Rush county.

It is expected that other townships will begin to report soon, and if Richland is a forerunner, the entire county will go over big with the proportionment.

ARBUCKLE STARTS FIGHT TO GO FREE

Sudden Closing of Case by Prosecution Fails to Take Defendant's Attorneys by Surprise

COUNTER ATTACK IS BEGUN

Trip Will be Made to Scene of Labor Day Party to Demonstrate Falsity of State's Claims

By M. D. TRACY
(U. P. Staff Correspondent)

San Francisco, Calif., Nov. 23.—Possibility that Roscoe Arbuckle, famous comedian, now on trial on a manslaughter charge growing out of the death of Virginia Rappe, may take the witness stand in his own defence, set the court room in a high state of interest just before the beginning of today's session of Arbuckle's trial.

Arbuckle's lawyers would not reveal their plans with regards to calling up Arbuckle but they were, it seemed certain, that he would testify. A half hour before the session was to be called, the corridors of the Hall of Justice were filled with people eager to see the big comedian's fight in court for his freedom. Arbuckle arrived at the court room in one of his luxurious motor cars accompanied by Minta Durfee his faithful wife. The defense devoted the morning to direct testimony and the afternoon was to take the jury to the suite in St. Francis hotel where Arbuckle's party was held.

Depositions from Lowell Sherman, Broadway favorite, and some other guests at Arbuckle's party, may be read.

The prosecution revealed to newspaper men that it had an elaborate rebuttal testimony in procedure which would take two or three days to complete.

Arbuckle—heavy of eye, saggy of cheek, and with his once natty Norfolk suit sadly needing a trip to the pressers—leaned eagerly over the backs of his attorneys' chairs as they launched their counter attack.

The prosecution's action in suddenly closing its case late yesterday without warning failed to take Arbuckle's counsel by surprise. Chief Attorney McNab was ready to demand Arbuckle's release when court convened this morning.

In fact Arbuckle's lawyers had under consideration the proposition of asking the judge to free their client at once, with out hearing further testimony, on the ground that the state had not succeeded in showing that he inflicted injuries upon Miss Rappe that caused her death.

It was a foregone conclusion that such a plea, however, would be denied by the judge so Arbuckle's lawyers marshalled their evidence for their counter attack.

They planned to prove that Rappe's death was caused by an illness

CONGRESS AWAITS FALL OF THE GAVEL

Much Rewritten Tax Bill Will be the Last Piece of Legislation to Flash Under the Wire

VOTE IN SENATE AT 5 P. M.

Newberry Case and Fordney Tariff Bill Will Hang Over Until Regular Session Dec. 5

By FRASER EDWARDS
(U. P. Staff Correspondent)

Washington, Nov. 23.—Congress awaited the fall of the gavel today which ends the special session called by President Harding for the primary purpose of revising tariff and tax legislation.

The much rewritten tax bill will be the last piece of legislation to flash under the wire as the session closes. The senate votes on the conference report on the measure at five o'clock.

The Fordney tariff bill is stalled in the Senate finance committee and may not become a reality until next summer.

The Newberry case which Republican leaders attempted to jam through the Senate at the eleventh hour will be in the long list of "hangover" matters that will await congress when the regular session begins on Dec. 5. An effort will be made today to get a decision to vote on the case after the first of the year.

Soldier bonus legislation will be one of the first matters forced on the attention of congress after the holidays.

As its first job next month the Senate expects to tackle the \$500,000,000 railroad debt refunding bill. A demand bill will be made by the agricultural "bloc" for early action on the co-operative marketing bill, which has passed the House.

On the House program remain, the congressional reapportionment bill which was recommitted, the reclassification of federal employees, the anti lynching bill and the Borah canal tolls bill giving American coastwise ships free access to the Panama canal.

Among the measures which have been completely lost in the shuffle are two of President Harding's pet projects: the creation of a department of public welfare combining all social and educational agencies of the government and the reorganization of the executive departments.

Many important measures were driven through congress by the powerful farm "bloes" in both houses. These include: Emergency tariff act, packer control act, anti-grain gambling act, foreign export of farm products.

TREAT WAS "ON" THE MAYOR-ELECT TODAY

Provided Milk-Fed Broilers Which Were Consumed by Kiwanis Club at Noon Lunch

E. B. THOMAS THE SPEAKER

It was "on" Walter (Chicken) Thomas of the Adams Produce company, mayor-elect of Rushville, at the noon lunch of the Kiwanis club in the basement of the Main Street Christian church today. Some time ago he promised the club a treat in the form of milk-fed broilers, but he would not consent to the "spread" until after the election for fear that some one would accuse him of trying to influence the voters.

Each member of the club was served with a half chicken and the meal was prepared and served by Mrs. B. F. Miller's class of girls of the Christian Sunday school.

E. B. Thomas addressed the club, describing his visit to Porto Rico last summer when he went with a United States commission to investigate the advisability of locating a land bank on the island.

Several guests were present, including Simon Martin of Lewisville, Barton Caldwell of this city, and Knowles Casady, Dr. Will C. Smith and Dr. E. I. Wooden of this city. Fifty-three members of the club attended.

FELT LIKE AN IRON BAND AROUND HEAD

This is How Lynchburg, Va., Woman Declares Her Headaches Often Affected Her

Everybody will read with interest the statement of Miss M. E. Woodford, 1808 Filmore St., Lynchburg, Va., who says:

"I don't believe anybody ever suffered from headaches like I did. The pains felt like an iron band was being drawn around my head and my temples would throb until I was driven almost distracted. I shudder when I think of those awful headaches. I had no appetite either."

"I owe Tanlac an everlasting debt of gratitude for entirely ridding me of those terrible headaches. My stomach has been toned up too, and everything I eat agrees with me now. Tanlac certainly brought me health and happiness."

Tanlac is sold in Rushville by F. B. Johnson Drug Co. and by leading druggists everywhere. Advertisement

RETRENCHMENT TO GO A STEP FARTHER

Sweeping Reduction in British Royal Navy to be Made, Including Demotion of Officers

SENTIMENT AGAINST TREATY

By CHARLES M. MCCANN
(U. P. Staff Correspondent)
London, Nov. 23—A further step in naval retrenchment—in accord with the movement for limitation of armament—is planned by the British government, it was learned today.

Sweeping reductions in personnel of the Royal Navy are said to include the demotion of sixty captains and 240 commanders. Most of those demoted were promoted during the war.

The Northcliffe papers are demanding abrogation of the Anglo-Japanese alliance which it is claimed is detrimental to China, prejudicial to Anglo-American relations unpopular in the British dominions and even harmful to Japan.

The London Chronicle greeted the report of the Far East committees of the Washington arms conference as the first step toward agreement. The Daily News and Westminster Gazette sharply criticized Premier Briand of France for the stand he has taken in the Washington conference.

"Briand does not need to fear that France has gone too far toward peace," the News stated. "He is pursuing a policy which might precede war—a war which would be disastrous to France because it was manufactured by her own statesmen short-sighted folly."

DR. HENRY P. LINN DIES

Pioneer Physician of Rushville Expires at Indianapolis Hospital

Henry P. Linn, one of the pioneer physicians of Rushville, died Monday at the Central Indiana Hospital at Indianapolis, according to a story in the Indianapolis newspapers. Dr. Linn left Rushville several years ago, when he became mentally afflicted, and since then had been confined in State institutions.

He was 72 years old, and death was caused from broncho-pneumonia. Funeral arrangements were not known here. The deceased is survived by a daughter, Mrs. Clifford Reddick, who now resides in Louisville, Ky.

New York Stocks

New York, Nov. 23—The opening prices on the New York stock exchange showed little change from Tuesday's list. There was a continuation of profit taking in American telephone and this stock made an early low of 41 1/2 at 115 from the high on the last move which was the high of the year. Mexican Petroleum after opening up 3-8 at 113 3/4 got above 114. Royal Dutch which has been heavily sold by traders during the last week, acted somewhat better with most of the early sales at 46 up 5-8.

Whelan stocks were still heavy and Retail Stores opened off 1 1/2 at 505-8. Coppers were firm. The changes in rails were unimportant.

The early market was similar to that of Tuesday in that the main upward movements were in specialties. Davison Chemical made a new high for the year above 54. Peoples gas continued to lead this group selling at 593-8 up 1 1/2 net.

The copper stocks were slightly lower. The \$80,000,000 expenditure for construction proposed by the New York telephone company over the next two years has an important bearing upon the Copper market. It means that millions of pounds of copper will be required. Reports from all parts of the country show construction work in all lines of industry is improving and this means better market for copper.

The opening prices on the stock exchange today included: American Can 31 1/2 up 1; Texas Company, 45 1/2; U. S. Steel 82 3/4, off 1/4; Mexican Petroleum 113 3/4 up 3-8; Pan American Petroleum 50 3/4 up 5-8; Asphalt 63 1/2 up 1/4; Utah Copper 57 1/2; American telephone 115 1/2 off 1/4; General Motors 11 1/2 up 1/4; Retail Stores 50 7/8 off 1 1/4; Southern Pacific 79 1/2.

FARMERS, BANKERS TO MEET NEXT TUESDAY

To Discuss Plans of War Finance Corporation to Loan Money so Producers May Hold Corn

GOVERNOR CALLED MEETING

(By United Press)
Indianapolis, Ind., Nov. 23.—Farmers and bankers of Indiana will be called together next Tuesday to discuss plans of the war finance corporation to loan money to farmers who will give corn as collateral.

They will be brought together at the call of Governor McCray, who is acting as chairman of the corn belt advisory committee of the war finance corporation.

Eugene Meyer, chairman of the war finance corporation, will address the meeting which was procured by the Indiana Federation of Farmers' associations and Indiana Bankers' association.

It is presumed Meyer will formulate a plan by which the Indiana bankers may obtain money from the corporation and loan to farmers, thus enabling them to hold their crop until prices are higher.

TO HARNESS TIPPECANOE

\$5,000,000 Corporation Plans to Turn its Power Into Electric Energy

Indianapolis, Ind., Nov. 23.—A \$5,000,000 corporation planned today to harness the Tippecanoe river and turn its power into electric energy.

The Indiana Hydro-Electric Power Company filed a petition with the public service commission asking authority to issue \$1,250,000 in gold bonds and \$1,250,000 in common stock, looking towards the establishment of five power plants along the Tippecanoe. It also asks permission to issue \$4,500,000 common stock with \$3,375,000 of it to be held in escrow.

The first power plant and dam is to be built at Norway in White County north of Monticello. The plant will be operated by the Interstate Public Service company and power developed there in excess of the company's needs will be sold to other utilities and to the public.

DIES IN ANDERSON

Word has been received here by relatives of the death of Mrs. James Lewis, aged 70 years, which occurred last evening about six o'clock at the home of her daughter Mrs. James Larimore in Anderson. The deceased had been ill for several months suffering from a complication of diseases. She is survived by three daughters and one son and a number of distant relatives living in this county. The funeral services will be held tomorrow afternoon at two o'clock at the home of Mrs. Larimore in Anderson.

Kidney and Bladder Troubles HAVE TO GO

Clogged up Kidney Deposits are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Told to Guarantee it in Every Instance

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them."

Dr. Carey's famous prescription No. 777 known as Marshroot is not recommended for everything but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating, irritability with loss of flesh, backache, rheumatism or any other tendency to Bright's Disease, Diabetes or Gravel, for kidney disease in its worst form may be stealing upon you.

Don't wait until tomorrow to begin the use of this wonderful prescription if you have any of the above symptoms, Kidney and Bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unfailing certainty.

Never mind the failures of the past if you even suspect that you are subject to Kidney Disease, don't lose a single day for every good druggist has been authorized to return the purchase money on the first two bottles to all who state they have received no benefit.

Clinton Miners To Strike as Result of Company Discharging Pumper

(By United Press)

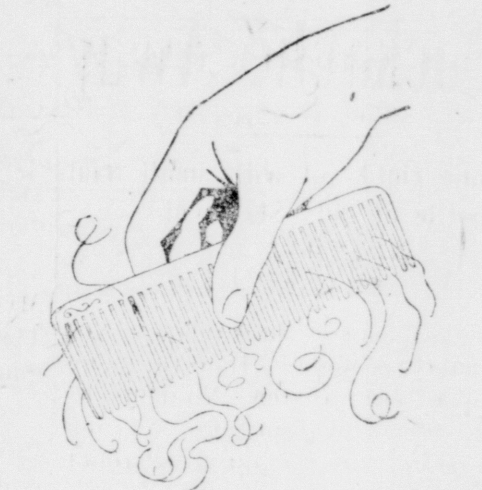

Terre Haute, Ind., Nov. 23.—About seven hundred miners of the Clinton Coal company in the Clinton fields near here will be on strike Saturday as the result of the company's action in discharging a pumper at one of the mines it was learned today.

The discharging of the pumper is contrary to the agreement between the union and operators and was the direct cause of calling the strike. John Hessler, president of District No. 11, united mine workers said today. He stated that the company has until Saturday to make amends for its action in dismissing the pumper.

NEW REIGN OF TERROR SEEN

Women Included Among The Killed And Wounded at Belfast

Belfast, Ireland, Nov. 23.—A new reign of terror was instituted in Belfast this afternoon when gunmen ran through the streets firing at pedestrians.

Two women were shot down, a man was killed and scores were injured in the renewal of the fight. The fighting between Ulster and Sinn Fein gangs is said to have reached its greatest proportions than at any time since it broke out six days ago.

Many women were included among the wounded. The exact number of killed and injured was impossible to determine.

OWLS HEAD CASE IN HANDS OF THE JURY

John W. Talbot of South Bend Accused of Being Social Pariah by District Attorney

WHITE SLAVE ACT VIOLATION

(By United Press)
Indianapolis, Ind., Nov. 23.—The case of John W. Talbot, president of the Order of Owls, charged with violation of the Mann white slave act, was sent to the jury in federal court this afternoon following a three days' trial. During the trial the most sensational evidence in years was introduced.

Talbot was subjected to denunciation by District Attorney VanNoy in the closing argument in which the defendant was characterized as a "social pariah and moral pariah, hiding behind the pretorian court of skirts." The reference was to the women employees of the Owl headquarters in South Bend who testified in his behalf.

Talbot is charged with having induced Miss Pearl Bagley, of Topeka, Kansas, to come to South Bend and then attacked her and subjected her to indignities.

MON PARTISANS QUIT

POSSESSION SUIT UNDER ADVISEMENT

Justice Stech to Return Decision Friday in Case of James Worth Against Alvin Linville

OTHER CASES TO BE TRIED

The evidence in the case of James Worth against Alvin Linville was heard yesterday afternoon before Justice Stech, who took the case under advisement, and will render a decision on the matter Friday. The suit was for possession of a house and for damages.

The suit scheduled today of Ingersoll against Alva Poir, a suit on account, was continued over indefinitely. The suit of the Rawlings Wall Paper company against Joe O. Hall was scheduled this morning and judgment in the sum of \$12.22 and costs was rendered upon default of the defendant.

This afternoon Charley Davis of Center township was to be tried on three charges, one being for trespass, attempted assault and battery and for profanity.

The case to be tried first this afternoon was for the attempted assault, and a jury trial was requested which delayed the case until after two o'clock.

Obituary

Ollie Gruell the beloved young wife of Clem B. Gruell, died at the Sexton sanitarium from ptomaine poisoning, Friday evening November 4, 1921, age 32 years, 6 months, 29 days.

She was the daughter of Mr. and Mrs. Ben Byer and her entire life was spent in Rush county.

April 3rd, 1910, in her fair, young womanhood she was given in marriage to him whose life is now desolate. This happy union was blessed by the birth of a daughter Lorene, and son Thomas Clyde, both too young to realize their inestimable loss.

Those of her immediate family who survive to mourn her untimely death are the husband whose life she shared only a few brief years, the little daughter and son, her aging parents, one brother Milton, three sisters, Mrs. George Cameron of Rush county, Mrs. James Scanlan of Newcastle, and Mrs. Otis Hoffman of Denver Colorado, and a wide, wide circle of other relatives and friends.

In February 1905 she consecrated her life to the service of her Redeemer and became identified with the United Brethren church at Pinhook.

She seemed not only perfectly reconciled to die, but was eager to meet her Redeemer. She felt no terror when she was summoned to cross the dark valley, no dread of death, nor of the chill and silence of the tomb, no shrinking from the "breathless darkness of the narrow house," but rather there seemed to be a triumphant thanksgiving in her heart that she was to occupy one of the celestial palaces in the Eternal City.

"We know that we must die: It needs no gloomy herald standing near.

To sound a daily warning in our ear, As life's swift years go by, The soft winds whisper it with every breath; Earth's dreams all hasten to the gulf of death— All that is born must die.

Hear what the Master saith: "My Father's house hath mansions large and fair, Where happy souls released from every care, Shall breath a heavenly breath; So hence I go to make for you a place Then I will come for you and bring You face to face, No more to taste of death." 2171

Let Us Give Thanks

Thursday, November 24, has been designated by the ruler of our country as the day upon which we are to give thanks to the Ruler of the Universe—to the Maker and the Giver of all things.

We will go to church, eat turkey,

and spend a day free from the cares of life.

The fires in our homes will burn brightly, and the joy in our hearts will be supreme.

But why will it be so?

How many of us will give serious thought to those incomparable blessings for which we should render our profound and grateful homage to Deity?

We live in a land of peace and plenty, yet the world around us is torn, and bleeding, and on bended knees of supplication, earnestly pleading for the commercial and political restoration that means life and liberty to them.

We have health and happiness, while many other nations of the earth are bowed under the weight of disease and hunger, are groaning in the depths of despair.

We have education and enlightenment, while millions in other lands are growing to maturity under the blight of ignorance and superstition.

Peace and plenty—health and happiness—education and enlightenment!

What more could mortal Christian desire?

With all of these we have been abundantly endowed by the Creator of the heavens and the earth.

It is because of His great love for

us that He bestows these wonderful blessings upon us.

A life of love and veneration would be but slight recompense for even one of these precious gifts.

As we receive, so should we bestow.

Let us give thanks.

During the three months, July August, and September, of this year we exported to Mexico 105,000 pairs of men's shoes, 65,000 of women's and 12,000 pairs of children's, or a total of 182,000 pairs of footwear for the people of that country. That is one way of bringing about a better understanding in that benighted land.

The recent offering of 41 and 41 Treasury certificates was over-subscribed about four times, and allotments have been made on that basis. The incident is a striking indication of returning prosperity and renewed confidence in the Government at Washington.

Let the delegates to the armaments conference be guided throughout the meetings by the sentiments expressed in their opening addresses, and we need have no fear of the outcome.

The shop early campaign is already under way, and it is presumed that most folks will perform in the usual way by putting it off until the last moment.

Next in order should be a conference to disarm the mail bandits and stickup men.

Can You Solve This Movie Puzzle?

Here's a new puzzle that's as simple as A-B-C. Everybody can solve it, from grandma to baby Jim. The operator of a Movie Machine in a theater decided to play a joke on his audience, so he re-arranged the names of 10 Movie Stars and threw them on the screen. The picture shows how they look. To solve the puzzle all you have to do is to rearrange the letters of the 10 funny sentences so that they will spell the correct actors' or actresses' names. For instance No. 1 is Helene Chadwick. Everybody knows who she is. If you can name all ten you can win the Ford Sedan or \$800.

Probably you know the names of the most famous Movie Stars, but just to refresh your memory, we are listing below a few of them—Charles Chaplin, Alice Brady, Tom Moore, Wallace Reid, Charles Ray, Theda Bara, Jackie Coogan, Elsie Ferguson, Douglas Fairbanks, Norma Talmadge, Dustin Farnum, Anita Stewart, Pearl White, Earle Williams, Mary Pickford.

185 "Points" Wins First Prize

You will receive 10 "Points" in this Movie Puzzle Game for each name that you arrange correctly, or 100 "Points" in all will be given to you if you can arrange all the Movie Star names the way they were in the first place. You can gain 60 more "Points" by qualifying your answer. That is by proving that you have shown a copy of our paper—The Rural Weekly, to five people. The final 25 "Points" will be awarded by the three final judges to the person sending in the best correct answer.

The answer gaining 185 "Points" (which is the maximum) will win the Ford Sedan or \$800 in cash. The second highest will win a \$200 Diamond Ring, and so on down the list of the 25 big prizes. In case of a tie, both answers will receive the same prize. Send in your answer TODAY. As soon as it arrives, samples of The Rural Weekly will be sent to you FREE to assist you in qualifying.

Costs Nothing to Try—You Can Win

You will not be asked to subscribe to The Rural Weekly; nor to spend one penny in order to win. We have given away over a hundred automobiles and thousands of other prizes. You can be the next lucky one. Be sure that your name and address appear on your puzzle solution. You can win the Ford Sedan or \$800 in this contest—Answer the puzzle NOW.

Four College Thanksgiving Day Games Hold Interest on Indiana Gridiron Thursday

FRANKLIN PLAYS EARLHAM

Michigan Aggies Meet Notre Dame. Wabash and Marquette. And Valparaiso Tackles South Dakota

By HEZE CLARK
(U. P. Staff Correspondent)

Indianapolis, Ind., Nov. 23.—Four college Thanksgiving day football games are of interest to the followers of Indiana football teams.

Thanksgiving always did seem to be the day for the big gridiron battles of the season and the fact that there are four college games in which Hoosier teams are matched makes it a real football day this year.

Two Indiana teams meet at Richmond. Franklin college eleven clashes with the Quakers. The Thanksgiving day affair at Richmond is the first time Earlham has played since the Quakers lost to Muskingum College by a 9 to 7 score in the muddy field during a snow storm ten days ago. The game Thanksgiving day will have a direct bearing on the I. C. A. L. championship ranking of teams.

Coach Rockne's Notre Dame eleven meets Michigan Aggies at Notre Dame Thanksgiving day. The "Aggies" lost to Butler by a 3 to 2 score ten days ago, and the Michigan team will have a slight chance to halt the whirl wind offense of the powerful Notre Dame eleven. The point of interest in the game is that several of the best Notre athletes are playing their final game of college football.

Wabash and Marquette University meet at Milwaukee. Last year in a game played in Indianapolis the Marquette team defeated Wabash. Coach Vaughn's aggregation has a chance to win its Turkey day game this season but it will be a hard fought battle.

Valparaiso is scheduled to meet South Dakota U. at Gary. The city of Gary is a great football center having developed two high school teams that rank among the best in the state. It is a sure bet that a good college game will attract a big crowd at Gary on Thanksgiving day.

SPORTSMAN LOSES LIFE

The Pas, Man., Nov. 23.—The trail of Walter Coyne, winner of the 1920 Canadian day derby and one of the best sportsmen in the northwest, has ended in Moose lake. Coyne, it was believed, went through thin ice to his death while driving a nine dog team. He was crossing the lake, 80 miles from The Pas, when the ice gave way.

The French governors of Louisiana tried the pettiest cases.

TWO ARE TIED FOR THE CHAMPIONSHIP

Jake Shaeffer Turns Back Willie Hoppe in World's Billiard Title Play at Chicago

TO PLAY OFF THE TIE TONIGHT

(By United Press)

Chicago, Nov. 23.—Jake Shaeffer turned back Champion Willie Hoppe 300 to 26 in six innings last night thereby throwing the pair in a deadlock for the world's billiard title. The play off will be staged tonight.

During the sixteen years that Hoppe has been king in the billiard realm this was his second defeat and his most decisive. Young Jake's father beat Hoppe in 1908 and Koji Yamada won by three points in 1912.

Schaeffer started auspiciously running up 192 in the initial inning, followed by 128 for the second. Hoppe could not get going. The winner also went out with a run of 159 unfinished.

The winner averaged 66 2-3, while Hoppe had a high run of 15 and an average of 4 2-6.

In the preliminary match Morningstar defeated Sutton by 400 to 123.

With the championship tonight goes a prize of \$3,000. Second money is \$1,500.

SANDUSKY WINS IN THE OPENER

Display Speed, Accurate Goal Shooting and a Perfect Defense Against Odd Fellows

SCORE WAS 34 TO 18

Locals Put up a Good Game Considering Their First Attempt This Season—Moscow is Next

The I. O. O. F. basketball team stepped out in fast company for the opening game last night, and were unable to keep pace with the Sandusky team, dropping the game by a 34 to 18 count, after putting up a hard fight to stage a rally in the last half.

Coach Kirkpatrick used eight players during the game, but they were unable to stop the fast going visiting team, which was composed of three Marlowe brothers, who simply were experts on passing and in hitting the hoop.

It will be the policy of the local management to book only the fastest teams during the season, regardless of the outcome of the game, but the I. O. O. F. squad have hopes of showing considerable improvement as the season goes on. The Sandusky team has been playing for several weeks, and displayed good team work.

The visiting team began scoring after the two teams had tussled for three minutes, and they maintained the lead throughout the game, with Rushville making a big spurt shortly before the first half ended, when the score stood 12 to 9. Before the half ended Sandusky found themselves and ran the score up to 16, leaving Rushville trailing with nine points.

The local team displayed flashes of speedy team work, but the defense of the visitors was too strong for them to penetrate. Shaw for Rushville, was the outstanding star on hitting the basket, and registered four field goals.

The three Marlowe brothers on the visiting team scored 30 of the 34 points, with Ralph making seven field goals. Clyde making 3 and Loren making 2. R. Marlowe also made six points on foul goals.

Titsworth and Shaw for Rushville worked together in good style at forwards, and Aikens, former high school floor guard, also started the game, and will work around in his former style in a few more games. Another good floor guard who played a part of the game was Norris. Petry at back guard, played his position as in former years.

Stoops and Keating also took their places in the line-up before the game ended, and with all players in a work out, it would be a hard combination to figure out who would be given a regular berth in future games. Martin at center, did not show up as well as in former games, but will work around, and fill the pivot position as he did last year.

In the last half of the game Sandusky gradually pulled away and the three Marlowe brothers shot baskets from all angles of the floor, receiving much praise from the local fans for their speedy work.

Coach Kirkpatrick will begin to iron out the weak spots in the team as displayed last night, and several new combinations will be offered when the locals take on Moscow next Tuesday. For the opening game, it proved to be a good exhibition, and there was a record crowd on hand.

The Odd Fellows band headed a parade before the game, and also provided music at intervals during the game.

Sandusky has been booked for a return game later on during the season, and the game no doubt will attract much interest when the two teams meet again.

The line-up and summary:
Sandusky (34) Odd Fellows (18)
L. Marlowe ----- F. ----- Titsworth
R. Marlowe ----- F. ----- Shaw
C. Marlowe ----- C. ----- Martin
Turner ----- G. ----- Aiken
Clark ----- G. ----- Petry

Substitutions: Stoops for Shaw; Norris for Aiken; Keating for Titsworth; Titsworth for Shaw; Shaw for Martin. Field goals, L. Marlowe 2, H. Marlowe 7, C. Marlowe 3, Turner 2, Shaw 4, Martin, Keating. Foul goals: R. Marlowe 6, Titsworth 6. Referee Campbell, Connersville.

Usual Predictions Didn't Run True To Form During 1921 Season Which is Now Closing

MANY EXAMPLES ARE FOUND

Pittsburg Fell Down Before Lafayette and Nebraska and Notre Dame Lost to Iowa

By HENRY L. FARRELL
(U. P. Staff Correspondent)

New York, Nov. 23.—Just a few more upheaval of forms and the 1921 football season will be a complete success.

Let Pittsburgh beat Penn State, Penn win from Cornell and the Army rout the Navy and the theory that no one knows a thing about football will be proven.

There has been enough already to make this belief sound. Take Pittsburgh for instance. The Panthers were regarded as one of the strongest teams in the east until Lafayette and Nebraska came along. Notre Dame is rated by the east as the greatest all-around team ever seen around the Atlantic seaboard. Yet, Iowa trimmed the Hoosiers, although Rockne's team gained three times as many yards.

Ohio State, western conference champions, fell before Oberlin, a small Ohio college and then swept through a hard schedule until they reached Illinois, the easiest mark on the card. Illinois won and threw State out of the championship.

Penn State's only reverse was a tie with Harvard in a game in which the Crimson was outplayed throughout.

Yale showed such form that the Blue went against Harvard a 2 to 1 favorite, but Harvard won.

Penn was swamped by every team of any ability until Dartmouth came along and Penn slipped up and tied the Hanover team.

Rutgers had won only three games

MILROY HAS TWO GAMES

Play Morristown Tonight and Clash with Carthage Friday

The Milroy high school basketball team will play two games this week at Milroy, meeting the Morristown team tonight at 7:30, and on Friday they will tackle the Carthage high school. Morristown is said to have a light team, but is speedy. Milroy is now travelling at a fast clip, and should win the game by a wide margin.

The real test for Milroy will come Friday when Carthage will invade their territory. Carthage has one of the best teams in years, and so far are undefeated. Both games will attract big crowds. Carthage last Friday defeated Spiceland by a 30 to 19 score.

SOCIETY

Edited By Miss Edna Krammes
Phone 1111

The Rebekahs will hold their regular meeting Friday evening at 7:30 o'clock. There will be a social at the close of this meeting and each lady is requested to bring sandwiches.

Dr. and Mrs. Charles S. Green entertained with a family dinner party yesterday at high noon at their home in North Main street. Only immediate relatives were present for the affair.

Mrs. Sarah Giffin was hostess for the members of the O. N. T. club yesterday afternoon at her home in North Morgan street. The ladies enjoyed the afternoon over their needlework and the hostess served dainty refreshments at the close of the meeting.

Members of the Psi Iota Xi Sorority entertained with a shower and pitch-in-supper last evening at the home of Mrs. Floyd Kirklin in this city honoring Mrs. Alfred Norris, formerly Miss Katherine Giffin. A delicious supper was served to the guests present and the remainder of the evening was enjoyed with an informal social party.

The marriage of Miss Mary Stout, daughter of Mr. and Mrs. H. D. Stout, to Lester Parks, son of Mrs. Evert Stout, took place at the home of the bride's parents southwest of the city Tuesday at 11:30 o'clock. The Rev. E. G. McKibben officiating. Miss Nellie Maines of Richmond sang "Oh Promise Me" with Miss Sylvia Stout accompanying at the piano. The bridal party entered the spacious living room to the strains of Lohengrin's wedding march. The ceremony was performed in the presence of only the immediate friends and relatives. The bride was attended by Miss Ethel Chandler and the best

man was Roy Stout, brother of the bride. Following the wedding, a high noon dinner was served to the following guests: Mr. and Mrs. Lester Parks, Mr. and Mrs. H. D. Stout, Mr. and Mrs. Perry Stout and son Russell, the Rev. and Mrs. E. G. McKibben, the Misses Nellie Maines, Sylvia Stout, Ethel Chandler, Goldie Creek, Lucille Stout, Mrs. Evert Stout, Mrs. Gallimore, Roy Stout and William Stout.

Mrs. M. E. Rector of Anderson entertained last Friday evening at her beautiful suburban home with a one o'clock luncheon honoring Mrs. E. H. Saniter, of Brooklyn, N. Y., who has been visiting in this city. The guests of relatives. The luncheon table was prettily decorated with lavender chrysanthemums and smilax.

Mrs. Samuel L. Innis entertained at breakfast this morning several guests in honor of Mrs. Mary Holmes, who left this morning for Colorado Springs to spend the winter. Among the guests were Mrs. Ruby Petry, Mrs. George Davis, Mrs. J. T. Arbuckle, Mrs. Harriet Carr, Mrs. Eva Gowdy and Mrs. Grant Gregg.

Mrs. Lou Caldwell entertained with a prettily appointed dinner party last evening at her home in this city honoring Mrs. Norm Norris's birthday anniversary. The guests were Mr. and Mrs. Barton Caldwell and family of Southport, Mr. and Mrs. Norm Norris and Mrs. Nancy Norris.

Mrs. Will Dill entertained with a card party last evening at her home in North Morgan street. Four tables of five hundred were in session during the evening. A dainty collation was served at the close of the card games.

but a much stronger West Virginia eleven went down in the last game of the season.

Penn State and Iowa are the only big teams that escaped the knife of the upsetter. Iowa is through for the year, but Penn State has Pittsburgh to beat Thursday. Pittsburgh might do it. Cornell has treated every opponent shamefully and only Penn remains in the way. It would be in keeping with form as it has run to see Cornell go down.

The last blow to the dope could come Saturday if the Army beat the powerful eleven from Annapolis.

The ladies of the First Presbyterian church will hold a rummage sale Saturday December 3. The place where the sale will be held will be announced later.

PAGEANT CLOSES THE CONVENTION

fort required Christian people in the schools who are willing to consecrate their lives in the work. Christian conduct is the test of Christianity, he said, but even example alone is not sufficient, for the forces of Christianity must have leadership in order to make themselves felt in the community.

Mr. Albertson pointed out that the Sunday school can be made the greatest force for good in the community because it is the agency which trains the young men and young women of the coming generation. What the ideals of the future are depends on how well the young people of today are taught, he asserted.

In the pageant, James Lock took the part of the world in the shackles of self-indulgence, luxury and the other sins common to humanity. He called on war, law and other agencies for assistance, but all were of no avail. In the end, truth rescues the world, and the part which the Sunday school plays is portrayed in a very impressive way. The actors in the pageant were assisted by the St. Paul's M. E. choir, directed by O. Wamsley, and Mrs. George Y. Hogsett, organist and soloist.

At the roll call Tuesday afternoon, twenty-six Sunday schools responded and had delegates present. This is far better than any representation at previous conventions. Every section in the county and almost every township was represented.

MUSIC PUPILS TO APPEAR IN CONCERT

Continued from Page One
forelock. She trained her pupils one lesson ahead of the regular lesson in anticipation of the event. It appeared to be Miss McConnell's banner room, too, for when the lesson was completed, Miss McConnell turned to the next page and prepared to show what the little folks could do in "sight reading" of notes without any preparation. She emphasized that the pupils had never studied this lesson.

They did go through it remarkably well, and as they had almost finished, one small girl piped: "That's as easy as pie." But leave it to a bright boy whose eyes betrayed the mischief in him. At the close of the lesson, giggling because the joke was so good, he announced with great gusto, "We are puttin' something over on you, Miss McConnell. We've already had that lesson."

The teacher then admitted that she had trained the pupils in the lesson in anticipation of just what happened, but not in anticipation of the little secret being aired. Then there was a laugh all around.

Miss McConnell's "baby orchestra" made up of the pupils in the second room, is nothing short of marvelous, because of the way they show their "ear" for rhythm. Equipped with bells, tamborenes, triangles, pan lids as cymbals, and drums, and led by little Francis Beale, standing on a chair with a ruler as a baton, the "orchestra" played two selections this morning for the edification of the visitor. Miss McConnell carries the air on the piano and the children keep perfect time with their instruments. The first selection was a well-known march, which was not difficult, but the second presented greater problems for in this some of the instruments paused at certain periods and then responded to the other instruments. The children went through the performance without a bobble and those who ever have opportunity to hear it will discover a new appreciation for the music course in the schools.

"How many miles to Boston town? Four score and ten. Can I get there by candle light? Yes and back again."

This was the song which the primary sang with great ado, and they sailed into it as if they liked it. They showed great familiarity with whole notes, half notes, quarter notes, quarter rests, sharps, flats and staffs. They "ran" the scale with apparent ease, each note being likened to a step of a ladder by Miss McConnell.

In the second grade the pupils read notes and sang songs. In one of the songs the pupils acted as if they were playing a violin. The sight-reading of notes by this class is regarded as extraordinary by Miss McConnell because they have had only four weeks training.

In the third room skip tones are introduced in the course. This class is also making wonderful progress in view of the fact that the pupils never had note reading until this year. In the third grade individual work begins.

In the fourth grade the pupils sing songs from memory. Miss McConnell emphasizing always that they sing softly. It was noted that one of the boys was very much "out of tune" and Miss McConnell's attention was called to this.

"That doesn't annoy me in the least," she said. "Some supervisors would not permit him to sing at all. Even though they may not sound their notes correctly, I allow them to sing until their voice becomes settled. If they were stopped, it might destroy their incentive to sing."

ARBUCKLE STARTS FIGHT TO GO FREE

Continued from Page One
which Arbuckle had nothing to do with.

They were lining up a score of witnesses through whom they intended to demonstrate that the famous thrower of pies is innocent and that those who accused him of carrying Miss Rappe into a bed room cave-man style, were to say the least just a bit confused about what really happened.

One of Arbuckle's first witnesses was Miss Kate Brennan, tall, portly and well dressed in brown satin. She said she had been a chambermaid at the hotel St. Francis and was permitted to explain in detail how chambermaids clean rooms at fashionable hostels.

She even gave a demonstration, dusting up a desk in the court room with deftness, exhibited a cheese cloth duster.

Miss Brennan painted Arbuckle as a jolly good fellow. She described him as having called her into his room after the pajama party which is alleged to have resulted in Miss Rappe's death, and to have asked her to "straighten up the bed."

"Girlie turn over that mattress," she said Arbuckle told her.

"Then he tipped me \$2.50 and said 'Girlie, this is for you' the witness testified.

"He went out and came in again with some ice in a glass. He was fooling with it with a straw and then he said to me, 'with that map can't you have a drink of whiskey?' I told him I did not drink."

Today's program included a visit to the suite in the hotel St. Francis where Arbuckle gave his famous pajama party last Labor Day.

It was planned to demonstrate by actually taking the jury over the ground that certain sounds could not be heard in Arbuckle's bed room when the door was closed and that it was impossible to see into the bedroom from certain angles of the sitting room.

This is an attack on testimony of witnesses who said they heard Miss Rappe in the bed room cry "Oh, my God, no, no, no," and Arbuckle reply "Aw, shut up" and on witnesses who described what they saw in the bed room from their chair in the sitting room.

The rooms were standing ready for the official inspection, furnished just as they were the day of the party. But the chambers that once, according to testimony, rang with laughter were grimly silent today.

Arbuckle came into court today in the midst of an almost unparalleled array of legal and expert advisers. In addition he was flanked by some of the biggest of the movie millionaires who watched with close attention every step in the drama in which the morality of their industry is on trial.

Immediately behind Arbuckle, Governor Morris, author had his seat. To his right, sat a finger print and handwriting expert. Nearby was a medical adviser. Half a dozen lawyers with clerks, secretaries and aides of various kinds jammed the space inside the court room rail. Before court convened, the room buzzed with conversation, it was like a scene at a movie reunion. Many friends thronged around Arbuckle, greeting him most cordially. His wife, Miss Minta Durfee was the center of another gaily chattering group and the movie magnates and actors sitting around the walls were busy shaking hands, slapping backs, and gossiping about the industry.

Meeting For Men and Boys Regardless of Church Affiliation at Plum Creek Thursday

JUDGE SPARKS WILL SPEAK

The men and boys of the Plum Creek neighborhood will celebrate Thanksgiving Day with a Father and Son Get-together at six o'clock at the Plum Creek Christian church. This meeting is for all the men and boys in that community without reference to any church affiliation. The ladies of the Young Married people's class will serve an oyster supper. A fine program has been planned with Judge Will Sparks as the principal speaker of the occasion. William A. Young in the capacity of Toastmaster will keep the gathering moving along with much music, good talks by both fathers and sons. Charley Heirs has been named song leader. Talks will be made by Luther

Nixon, Jess Kirkpatrick on behalf of the fathers and William Eriel and Walter Aikens in the interest of the sons. It is expected that one hundred and fifty fathers and sons will join in this celebration. Arrangements have been made to have every boy in the neighborhood that has no father to be adopted by some other man for the Father and on Get-together, thereby including every father and son in the community.

DISORDER RULES IN SENATE DEBATE

Remarks of Both Penrose and Heflin Expunged From Record During Newberry Controversy

DOZEN SENATORS ON FLOOR

Washington, Nov. 23—Disorderly scenes marked the controversy in the senate over whether Senator Newberry of Michigan should retain his seat.

A bitter clash between Senator Penrose and Heflin amid wild disorders ended with officials rebuking both senators and the expungement of the remarks from the Congressional Record.

Heflin charged Penrose with representing certain interests and Penrose retaliated by remarking that considering the black darkness of Alabama, nothing else could be expected from the senator from Alabama. More than twelve senators were on their feet clamoring to make themselves heard above the din of the argument.

The row started when Heflin remarked that republican senators were running to the cloak room to escape hearing his arraignment of Newberry.

"In view of the nature of the remark of the Senator from Alabama," interrupted Penrose, "I am not surprised that they would want to hear his speech".

"I am not surprised to hear that from the senator from Pennsylvania," replied Heflin. "Everybody knows that but the millions back of him that he would not have a seat in this body. He is known as the 'big boss' of Pennsylvania, and no man in Pennsylvania can get a seat in this body unless he can get the O. K. of Penrose".

UNITED STATES WANTS DEFINITE AGREEMENT

To Ask For Signatures of Powers Attending Arms Limitation Conference for Understanding

MAY BE IN FORM OF TREATY

Washington, Nov. 23—The United States will ask the signatures of the powers attending the arms limitation and Far East conferences to a definite understanding regarding Far Eastern and Pacific questions. This may be in the form of a treaty or simple agreement, but in any event, it is to be put into binding form.

A resolution adopted by the conference sitting as committee on Far Eastern and Pacific questions is to form the basis for the agreement. This resolution proposed by Elhilm Root of the American delegate relates specifically to China.

The American delegation ignoring or opposing Japan's reservation on this point, intends to take up and settle each question respecting China and the Far East generally which has been recognized as a cause of international discord in order to avoid danger of war in that part of the world.

JAPAN TO RECEDE FROM HER STAND

Will Not Insist She be Allowed Increase of 10 Percent in Capital Ship Tonnage

UNDER AMERICAN PROGRAM

Steps Toward Early Consideration of Land Armament and Control of War Agencies Taken

(By United Press)

Washington, Nov. 23.—Japan has agreed to recede partly from her hitherto insistent stand that she be allowed an increase of ten percent in capital ship tonnage under the American program for limitation of naval armament.

This was learned on highest authority as the naval armament committee of the arms conference met to discuss this situation. Admiral Baron Kato, minister of the Japanese navy, was expected to announce the Japanese decision at the meeting today.

Definite steps toward an early consideration of land armament and control of new agencies of warfare was taken by the arms conference today.

The conference sitting as a committee on limitation of land armament ordered the two subjects referred to the sub-committees consisting of heads of delegations for determination of procedure.

Meanwhile Briand may bring before the committee the question of France and Italy's sea forces but this was expected to cause little difficulty.

The American advisory committee has been put to work on plans to minimize the horrors of war. Abolition of submarines or limitation of the size, use of poison gas, the bombing of cities and the determination and use of any weapon were among the questions submitted to the sub-committee of the advisory committee.

Britain seems to be taking preparatory steps toward the dissolution of the Anglo-Japanese alliance with the possibility that it may be brought before the Far Eastern committee late today.

Briand replied to the statement that Germany was ready to give a definite guarantee in an international tribunal to ally French fears and stated that the best guarantee the Germans could give would be the fulfillment of the Versailles treaty.

WIFE DESERTER ALLOWED FREEDOM

Edwin Price Pleads Guilty in Circuit Court and is Freed Under Suspended Sentence

ARGUMENT IN NEWHOUSE CASE

Edwin Price who was arrested last week on a charge of wife desertion, and who pleaded not guilty, was arraigned this morning before Judge Sparks and entered a plea of guilty, to which he was given a sentence of from 1 to 3 years in the state prison. He was given a suspended sentence, during his good behavior. Price gave his age as 42.

The case of H. B. Wilson and Wylie McKee against the Metal Specialties Manufacturing company of Milroy, was continued yesterday, when the two parties failed to reach an agreement. The complaint was to collect on a note, and was scheduled for trial in the court yesterday.

A case from Greenfield was venued here today from the Hancock circuit court, of Goldyn F. Grigsby, administrator of the estate of Sherman W. Grigsby, against the Terre Haute, Indiana, and Eastern Traction company, a suit for damages, as the result of a fatal accident near Greenfield.

The arguments were heard this morning on the motions to quash the two indictments against Alva Newhouse, Jackson township trustee who was indicted by the grand jury recently. The defendant alleged that the two indictments were faulty, and that on one charge there was no heading under the statute by which the case could be prosecuted. Judge Sparks took the arguments under advisement.

TRAIN DELAYED TWO HOURS

Tender of L. E. & W. Engine Jumps Track Northeast of Here

The L. E. & W. train due here shortly after noon yesterday jumped the track near the Alexander farm, just northeast of Rushville, and the train was delayed two hours while the locomotive was placed back on the track. The engine, pulling a train of ten cars, was backing toward Rushville, and the front trucks of the tender left the rails. On account of the train going slowly, it was stopped before the engine got entirely off the track. Members of the train crew and section men worked with jacks and other tools, and placed the tender on the track without calling for a wrecking crew.

PAGEANT CLOSES THE CONVENTION

Many People Are Turned Away at Final Session of Annual County Sunday School Meeting

STATE WORKERS SPEAKERS

Pageant by St. Paul's M. E. Sunday School Demonstrates Power of Truth in Freeing World

By far the best county Sunday school convention ever held here, from the standpoint of attendance as well as good accomplished, closed at the First Presbyterian church with short talks by workers from the state association who were present, and with the presentation of a pageant entitled "Truth", by St. Paul's M. E. Sunday, which demonstrated the aims of the Sunday to remove the shackles from the world and bring it to Christianity.

At the close of the afternoon session, which was even better attended than the one in the morning, the report of the nominating committee was adopted unanimously, electing the officers who were suggested by the committee and whose names were published Tuesday.

The church was crowded Tuesday night and many people were turned away because even the standing room was at a premium. Before the presentation of the pageant, E. A. Albertson, general secretary of the state association, and Miss Florence Carmichael, children's division worker, spoke briefly regarding their work.

Mr. Albertson presented the aims of the state association in a concise way, pointing out that only through the leadership of Christian men and women in a community, could the community ideals be raised and the environment for young people be bettered.

The speaker said that through the Sunday schools Christian leadership could be developed, but that the effort must be continued.

HARDING SIGNS THE CAMPBELL-WILLIS BILL

Measure Puts to An End the Manufacture And Sale of Medicinal Beer Recently Permitted

PUTS BAN ON REGULATIONS

(By United Press)

Washington, Nov. 23.—President Harding today signed the Campbell-Willis beer bill which puts to an end the manufacture and sale of medicinal beer.

The medicinal beer regulations were promulgated about a month ago and a total of 17 breweries were granted permits to manufacture the pre-prohibition article.

Secretary of the Treasury Mellon now will issue a ruling withdrawing the beer regulations.

An attack on the constitutionality of the Campbell-Willis bill may be made. Several of the brewers hold that congress infringed on the constitution in barring the manufacture and sale of medicinal beer and this view is supported by some government officials.

MUSIC PUPILS TO APPEAR IN CONCERT

Rushville People Will be Given Opportunity to See What is Accomplished in Schools

FUNDS TO BUY INSTRUMENTS

Visit to One Building Reveals Keen Interest by Children in Music—"Baby Band" Organized.

Rushville people will be given an opportunity in the very near future it is promised, to see what is being accomplished in the Rushville schools in training the pupils in music. Miss Sarah McConnell, supervisor, is planning a concert at which the justly celebrated "Baby band" and the junior high school and grades orchestra will perform. Other grade pupils will also take part in the recital.

The proceeds will be used to purchase music for this department and likewise to buy instruments for pupils who desire to join the orchestra, but whose parents are unable to provide them.

Miss McConnell paid a very hearty compliment today to the teachers of the Rushville schools for the co-operation they were giving her in all her undertakings in the music department. The supervisor, who is now in her first year's work in Rushville, is a genius for interesting children in music, a visit to the schools revealed today.

This is apparently the reason for the interest the teachers are showing in this phase of the school work and for the support which they are giving Miss McConnell. As well as making the course in music constructive, Miss McConnell is also teaching an appreciation of music, which she believes will arouse in pupils the desire to know music.

Since the organization of the junior orchestra, twenty pupils have bought instruments and approximately twenty more expect to join the organization after Christmas because they are promised instruments as gifts.

A visit to the music classes of four rooms in one building this morning revealed a rejuvenated music course. The proverbial Jack is no longer a dull boy when it comes time for a lesson in the rudiments of music, and Mary is alert, with eyes popping and ears strained when she is asked about the intricacies of clefs, bars, sharps and flats with which she is fast becoming familiar.

The visit of a representative of the Republican disclosed that there is one teacher in the Rushville schools who believes forewarned is to be forearmed. (It wouldn't be fair to give the name of the school or the room, but the incident demonstrates that it is a most difficult thing to get anything past an alert child).

This teacher heard that a visitor was coming to the music class this morning and she took time by the hour to prepare.

TRAINS DETOURED DUE TO FREIGHT WRECK

Loaded Freight Cars Are Derailed on C. I. & W. Railroad Today, Blocking Traffic

TRACK TORN UP 1/4 OF MILE

Traffic on the C. I. & W. railroad was impaired today on account of a wreck a few miles west of Liberty, where 20 loaded freight cars were derailed about 7:30 this morning. The track was torn up for a quarter of a mile and the cars piled up along the right-of-way, blocking all traffic.

A portion of a bridge was torn away. All passenger trains were annulled today, and eastbound passenger number 35, due here at seven o'clock was derailed at noon today over the Big Four from this city to Cincinnati.

It was expected that the track would be cleared sometime tonight. The freight was a double header, running westward, and a defective car is believed to have caused the wreck. No one was injured.

COUNCILMEN BACK FROM OHIO TRIP

Soon After Their Arrival From Inspecting Fire Engine Pumper, Three Arrive in City.

TO MAKE DECISION SOON

The four members of the city council returned late last night from a trip to three factories in Ohio, manufacturing fire apparatus, and they will reach a decision in the matter in a few days when Mayor Seudder arrives home from Detroit. The councilmen visited the factories of the White Fire Engine company in Cleveland; the Seagraves company at Columbus, and the Ahrens-Fox company in Cincinnati.

The four councilmen who made the inspection trip were A. P. Waggoner, Chase Manzy, Frank Abernombie and Walter Pearce.

Three fire truck companies had motor pumps in Rushville today, all of them being enroute to cities. The Howe Company of Anderson, an assembled truck built on a Reo chassis was here first, and a large Ahrens-Fox pumper enroute to Chicago also stopped off for a visit with the officials. The Seagraves Company of Columbus, O., was scheduled to arrive here late this afternoon with a pumper for Chicago, and they would probably remain here overnight.

FIRST TOWNSHIP REPORTS

Richland Doubles Its Quota in Near East Relief Campaign.

The first township to report in the Near East Relief drive, is Richland, according to a report received today at the county agent's office, where Donald Ball is chairman for Rush county. The township doubled their quota, both in money and grain, and 213 bushels of corn was pledged by the farmers, which will be turned over to the committees as their portion for Rush county.

It is expected that other townships will begin to report soon, and if Richland is a forerunner, the entire county will go over big with the proportionment.

ARBUCKLE STARTS FIGHT TO GO FREE

Sudden Closing of Case by Prosecution Fails to Take Defendant's Attorneys by Surprise

COUNTER ATTACK IS BEGUN

Trip Will be Made to Scene of Labor Day Party to Demonstrate Falsity of State's Claims

By M. D. TRACY
(U. P. Staff Correspondent)

San Francisco, Calif., Nov. 23.—Possibly that Roscoe Arbuckle, famous comedian, now on trial on a manslaughter charge growing out of the death of Virginia Rappe, may take the witness stand in his own defense, set the court room in a high state of interest just before the beginning of today's session of Arbuckle's trial.

Arbuckle's lawyers would not reveal their plans with regards to calling up Arbuckle but they were, it seemed certain, that he would testify. A half hour before the session was to be called, the corridors of the Hall of Justice were filled with people eager to see the big comedian's fight in court for his freedom.

Arbuckle arrived at the court room in one of his luxurious motor cars accompanied by Minta Durfee his faithful wife. The defense devoted the morning to direct testimony and the afternoon was to take the jury to the suite in St. Francis hotel where Arbuckle's party was held.

Depositions from Lowell Sherman, Broadway favorite, and some other guests at Arbuckle's party, may be read.

The prosecution revealed to newspaper men that it had an elaborate rebuttal testimony in procedure which would take two or three days to complete.

Arbuckle—heavy of eye, saggy of cheek, and with his once natty Norfolk suit sadly needing a trip to the pressers—leaned eagerly over the backs of his attorneys' chairs as they launched their counter attack. The prosecution's action in suddenly closing its case late yesterday without warning failed to take Arbuckle's counsel by surprise. Chief Attorney McNah was ready to demand Arbuckle's release when court convened this morning.

In fact Arbuckle's lawyers had under consideration the proposition of asking the judge to free their client at once, with out hearing further testimony, on the ground that the state had not succeeded in showing that he inflicted injuries upon Miss Rappe that caused her death.

It was a foregone conclusion that such a plea, however, would be denied by the judge so Arbuckle's lawyers marshalled their evidence for their counter attack.

They planned to prove that Rappe's death was caused by an illness.

CONGRESS AWAITS FALL OF THE GAVEL

Much Rewritten Tax Bill Will be the Last Piece of Legislation to Flash Under the Wire

VOTE IN SENATE AT 5 P. M.

Newberry Case and Fordney Tariff Bill Will Hang Over Until Regular Session Dec. 5

By FRASER EDWARDS
(U. P. Staff Correspondent)

Washington, Nov. 23.—Congress awaited the fall of the gavel today which ends the special session called by President Harding for the primary purpose of revising tariff and tax legislation.

The much rewritten tax bill will be the last piece of legislation to flash under the wire as the session closes. The senate votes on the conference report on the measure at five o'clock.

The Fordney tariff bill is stalled in the Senate finance committee and may not become a reality until next summer.

The Newberry case which Republican leaders attempted to jam through the Senate at the eleventh hour will be in the long list of "hangover" matters that will await congress when the regular session begins on Dec. 5. An effort will be made today to get a decision to vote on the case after the first of the year.

Soldier bonus legislation will be one of the first matters forced on the attention of congress after the holidays.

As its first job next month the Senate expects to tackle the \$500,000,000 railroad debt refunding bill. A demand bill will be made by the agricultural "bloc" for early action on the co-operative marketing bill, which has passed the House.

On the House program remain, the congressional reapportionment bill which was recommitment, the reclassification of federal employees, the anti lynching bill and the Borah canal tolls bill giving American coastwise ships free access to the Panama canal.

Among the measures which have been completely lost in the shuffle are two of President Harding's pet projects: the creation of a department of public welfare combining all social and educational agencies of the government and the reorganization of the executive departments.

Many important measures were driven through congress by the powerful farm "blocc" in both houses. These include: Emergency tariff act, packer control act, anti-grain gambling act, foreign export of farm products.

TREAT WAS "ON" THE MAYOR-ELECT TODAY

Provided Milk-Fed Broilers Which Were Consumed by Kiwanis Club at Noon Lunch

E. B. THOMAS THE SPEAKER

It was "on" Walter (Chicken) Thomas of the Adams Produce company, mayor-elect of Rushville, at the noon lunch of the Kiwanis club in the basement of the Main Street Christian church today. Some time ago he promised the club a treat in the form of milk-fed broilers, but he would not consent to the "spread" until after the election for fear that some one would accuse him of trying to influence the voters.

Each member of the club was served with a half chicken and the meal was prepared and served by Mrs. B. F. Miller's class of girls of the Christian Sunday school.

E. B. Thomas addressed the club, describing his visit to Porto Rico last summer when he went with a United States commission to investigate the advisability of locating a land bank on the island.

Several guests were present, including Simon Martin of Lewisville, Barton Caldwell of this city, and Knowles Casady, Dr. Will C. Smith and Dr. E. I. Wooden of this city. Fifty-three members of the club attended.

FELT LIKE AN IRON BAND AROUND HEAD

This is How Lynchburg, Va., Woman Declares Her Headaches Often Affected Her

Everybody will read with interest the statement of Miss M. E. Woodford, 1808 Filmore St., Lynchburg, Va., who says:

"I don't believe anybody ever suffered from headaches like I did. The pains felt like an iron band, was being drawn around my head and my temples, would throbb until I was driven almost distracted. I shudder when I think of those awful headaches. I had no appetite either."

"I owe Tablac an everlasting debt of gratitude for entirely ridding me of those terrible headaches. My stomach has been toned up too, and everything I eat agrees with me now. Tanlac, certainly brought me health and happiness."

Tanlac is sold in Rushville by F. B. Johnson Drug Co. and by leading druggists everywhere. Advertisement

RETRENCHMENT TO GO A STEP FARTHER

Sweeping Reduction in British Royal Navy to be Made, Including Demotion of Officers

SENTIMENT AGAINST TREATY

By CHARLES M. McCANN
(U. P. Staff Correspondent)

London, Nov. 23.—A further step in naval retrenchment—in accord with the movement for limitation of armament—is planned by the British government, it was learned today.

Sweeping reductions in personnel of the Royal Navy are said to include the demotion of sixty captains and 240 commanders. Most of those demoted were promoted during the war.

The Northcliffe papers are demanding abrogation of the Anglo-Japanese alliance which it is claimed is detrimental to China, prejudicial to Anglo-American relations unpopular in the British dominions and even harmful to Japan.

The London Chronicle greeted the report of the Far East committee of the Washington arms conference as the first step toward agreement. The Daily News and Westminster Gazette sharply criticized Premier Briand of France for the stand he has taken in the Washington conference.

"Briand does not need to fear that France has gone too far toward peace," the News stated. "He is pursuing a policy which might precede war—a war which would be disastrous to France because it was manufactured by her own statesmen short-sighted folly."

DR. HENRY P. LINN DIES

Pioneer Physician of Rushville Expires at Indianapolis Hospital

Henry P. Linn, one of the pioneer physicians of Rushville, died Monday at the Central Indiana Hospital at Indianapolis, according to a story in the Indianapolis newspapers. Dr. Linn left Rushville several years ago, when he became mentally afflicted, and since then had been confined in State institutions.

He was 72 years old, and death was caused from broncho-pneumonia. Funeral arrangements were not known here. The deceased is survived by a daughter, Mrs. Clifford Reddick, who now resides in Louisville, Ky.

When You Have a Cough or Lose Weight and Appetite Take This Advice

Muncie, Ind.—"When I had a severe cough, night sweats, loss of weight and appetite, I was persuaded to try Dr. Pierce's Golden Medical Discovery. I took it faithfully for about forty days and gradually I gained; the cough disappeared and I put on flesh and got strong again. I took no other medicine at the time. It did me a great deal of good and I shall always feel grateful to Dr. Pierce for this remedy. I have had no cough for fourteen years, since I was cured by taking 'Golden Medical Discovery.'—Mrs. Lucy McCoy, 424 So. Madison St.

New York Stocks

New York, Nov. 23.—The opening prices on the New York stock exchange showed little change from Tuesday's list. There was a continuation of profit taking in American telephone and this stock made an early low of 41 1/2 from the high of the last move which was the high of the year. Mexican Petroleum after opening up 3-8 at 113 3/4 got above 114. Royal Dutch which has been heavily sold by traders during the last week, acted somewhat better with most of the early sales at 36 up 5-8.

Whelan stocks were still heavy and Retail Stores opened off 1 1/2 at 505-8. Coppers were firm. The changes in rails were unimportant.

The early market was similar to that of Tuesday in that the main upward movements were in specialties. Davison Chemical made a new high for the year above 54. Peoples gas continued to lead this group selling at 593-8 up 1 1/2 net.

The copper stocks were slightly lower. The \$80,000,000 expenditure for construction proposed by the New York telephone company over the next two years has an important bearing upon the Copper market. It means that millions of pounds of copper will be required. Reports from all parts of the country show construction work in all lines of industry is improving and this means better market for copper.

The opening prices on the stock exchange today included:

American Can 31 1/2 up 1/2; Texas Company, 45 1/2; U. S. Steel 82 1/2, off 1/2; Mexican Petroleum 113 3/4 up 3-8; Pan American Petroleum 50 3/4 up 5-8; Asphalt 63 1/2 up 1/2; Utah Copper 57 1/2; American Telephone 115 1/2 off 1/2; General Motors 11 1/2 up 1/2; Retail Stores 50 1/2 off 1 1/2; Southern Pacific 79 1/2.

FARMERS, BANKERS TO MEET NEXT TUESDAY

To Discuss Plans of War Finance Corporation to Loan Money to Producers/May Hold Corn

GOVERNOR CALLED MEETING

(By United Press)

Indianapolis, Ind., Nov. 23.—Farmers and bankers of Indiana will be called together next Tuesday to discuss plans of the war finance corporation to loan money to farmers who will give corn as collateral.

They will be brought together at the call of Governor McCray, who is acting as chairman of the corn belt advisory committee of the war finance corporation.

Eugene Meyer, chairman of the war finance corporation, will address the meeting which was procured by the Indiana Federation of Farmers' associations and Indiana Bankers' association.

It is presumed Meyer will formulate a plan by which the Indiana bankers may obtain money from the corporation and loan to farmers, thus enabling them to hold their crop until prices are higher.

TO HARNESS TIPPECANOE

\$5,000,000 Corporation Plans to Turn its Power into Electric Energy

Indianapolis, Ind., Nov. 23.—A \$5,000,000 corporation planned today to harness the Tippecanoe river and turn its power into electric energy.

The Indiana Hydro-Electric Power Company filed a petition with the public service commission asking authority to issue \$1,250,000 in gold bonds and \$1,250,000 in common stock, looking towards the establishment of five power plants along the Tippecanoe. It also asks permission to issue \$4,500,000 common stock with \$3,375,000 of it to be held in escrow.

The first power plant and dam is to be built at Norway in White County north of Monticello. The plant will be operated by the Interstate Public Service company and power developed there in excess of the company's needs will be sold to other utilities and to the public.

DIES IN ANDERSON

Word has been received here by relatives of the death of Mrs. James Lewis, aged 70 years, which occurred last evening about six o'clock at the home of her daughter Mrs. James Larimore in Anderson. The deceased had been ill for several months suffering from a complication of diseases. She is survived by three daughters and one son and a number of distant relatives living in this county. The funeral services will be held tomorrow afternoon at two o'clock at the home of Mrs. Larimore in Anderson.

Kidney and Bladder Troubles HAVE TO GO

Clinton Miners To Strike as Result of Company Discharging Pumper

(By United Press)

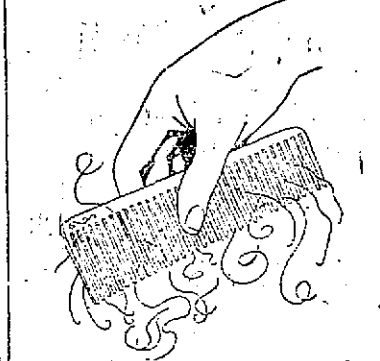

Terre Haute, Ind., Nov. 23.—About seven hundred miners of Clinton Coal company in the Clinton fields near here will be on strike Saturday as the result of the company's action in discharging a pumper at one of the mines it was learned today.

The discharging of the pumper is contrary to the agreement between the union and operators and was the direct cause of calling the strike. John Hessler, president of District No. 11, united mine workers said today. He stated that the company has until Saturday to make amends for its action in dismissing the pumper.

Four College Thanksgiving Day Games Hold Interest on Indiana Gridiron Thursday

FRANKLIN PLAYS EARLHAM

Michigan Aggies Meet Notre Dame, Wabash and Marquette, And Valparaiso Tackles South Dakota

By HEZE CLARK
(U. P. Staff Correspondent)

Indianapolis, Ind., Nov. 23.—Four college Thanksgiving day football games are of interest to the followers of Indiana football teams.

Thanksgiving always did seem to be the day for the big gridiron battles of the season and the fact that there are four college games in which Hoosier teams are matched makes it a real football day this year.

Two Indiana teams meet at Richmond. Franklin college eleven clashes with the Quakers. The Thanksgiving day affair at Richmond is the first time Earlham has played since the Quakers lost to Muskingum College by a 9 to 7 score in the muddy field during a snow storm ten days ago. The game Thanksgiving day will have a direct bearing on the I. C. A. L. championship ranking of teams.

Couch Rockne's Notre Dame eleven meets Michigan Aggies at Notre Dame Thanksgiving day. The "Aggies" lost to Butler by a 3 to 2 score ten days ago, and the Michigan team will have a slight chance to halt the whirl wind offense of the powerful Notre Dame eleven. The point of interest in the game is that several of the best Notre athletes are playing their final game of college football.

Wabash and Marquette University meet at Milwaukee. Last year in a game played in Indianapolis the Marquette team defeated Wabash. Coach Vaughn's aggregation has a chance to win its Turkey day game this season but it will be a hard fought battle.

Valparaiso is scheduled to meet South Dakota U. at Gary. The city of Gary is a great football center having developed two high school teams that rank among the best in the state. It is a sure bet that a good college game will attract a big crowd at Gary on Thanksgiving day.

SPORTSMAN LOSES LIFE

The Pas, Man., Nov. 23.—The death of Walter Goynne, winner of the 1920 Canadian day derby and one of the best sportsmen in the northwest, has ended in Moose lake. Goynne, it was believed, went through thin ice to his death while driving a nine dog team. He was crossing the lake, 80 miles from The Pas, when the ice gave way.

The French governors of Louisiana tried the pettiest cases.

Jake Shaeffer Turns Back Willie Hoppe in World's Billiard Title Play at Chicago

TO PLAY OFF THE TIE TONIGHT

(By United Press)

Chicago, Nov. 23.—Jake Shaeffer turned back Champion Willie Hoppe 300 to 26 in six innings last night thereby throwing the pair in a deadlock for the world's billiard title. The play off will be staged tonight.

During the sixteen years that Hoppe has been king in the billiard realm this was his second defeat and his most decisive. Young Jake's father beat Hoppe in 1908 and Koji Yamada won by three points in 1912. Shaeffer started auspiciously running up 192 in the initial inning, followed by 128 for the second. Hoppe could not get going. The winner also went out with a run of 159 unfinished.

The winner averaged 66 2-3, while Hoppe had a high run of 15 and an average of 4 2-6.

In the preliminary match Morningstar defeated Sutton by 400 to 123.

With the championship tonight goes a prize of \$3,000. Second money is \$1,500.

Olimbin, Chicago, Sam Goodman, San Francisco and Thomas J. Tracey, New Haven, trustees. In addition to approving Charles Paddock's new world's dash marks the following records were officially sanctioned:

Neil Gourdin, Harvard, world's running broad jump, 25 feet 2 inches; Norman Ross, Illinois A. C. 300 meter swim, 3:53; 400 meter 5:14 2-5; and 500 meter, 6:44; and John Weismuller, Illinois A. C. five swimming records, ranging from the 100 yards (20 yard pool) 5:2 2-5 to the 150 yards (25 yard pool) 1:27 2-5.

SANDUSKY WINS IN THE OPENER

Display Speed, Accurate Goal Shooting and a Perfect Defense Against Odd Fellows

SCORE WAS 34 TO 18

Locals Put up a Good Game Considering Their First Attempt This Season—Moscow is Next

The I. O. O. F. basketball team stepped out in fast company for the opening game last night, and were unable to keep pace with the Sandusky team, dropping the game by a 34 to 18 count, after putting up a hard fight to stage a rally in the last half.

Coach Kirkpatrick used eight players during the game, but they were unable to stop the fast going visiting team, which was composed of three Marlowe brothers, who simply were experts on passing and in hitting the hoop.

It will be the policy of the local management to book only the fastest teams during the season, regardless of the outcome of the game, but the I. O. O. F. squad have hopes of showing considerable improvement as the season goes on. The Sandusky team has been playing for several weeks, and displayed good team work.

The visiting team began scoring after the two teams had tussled for three minutes, and they maintained the lead throughout the game, with Rushville making a big spurt shortly before the first half ended, when the score stood 12 to 9. Before the half ended Sandusky found themselves and ran the score up to 16, leaving Rushville trailing with nine points.

The local team displayed flashes of speedy team work, but the defense of the visitors was too strong for them to penetrate. Shaw for Rushville, was the outstanding star on hitting the basket, and registered four field goals.

The three Marlowe brothers on the visiting team scored 30 of the 34 points, with Ralph making seven field goals. Clyde making 3 and Loren making 2. R. Marlowe also made six points on foul goals.

Titsworth and Shaw for Rushville worked together in good style at forwards, and Alkous, former high school floor guard, also started the game, and will work around in his former style in a few more games. Another good floor guard who played a part of the game was Norris. Petry at back guard, played his position as in former years.

Stoops and Keating also took their places in the line-up before the game ended, and with all players in a work out, it would be a hard combination to figure out who would be given a regular berth in future games. Martin at center, did not show up as well as in former games, but will work around, and fill the pivot position as he did last year.

In the last half of the game Sandusky gradually pulled away and the three Marlowe brothers shot baskets from all angles of the floor, receiving much praise from the local fans for their speedy work.

Coach Kirkpatrick will begin to iron out the weak spots in the team as displayed last night, and several new combinations will be offered when the locals take on Moscow next Tuesday. For the opening game, it proved to be a good exhibition, and there was a record crowd on hand.

The Odd Fellows band headed a parade before the game, and also provided music at intervals during the game.

Sandusky has been booked for a return game later on during the season, and the game no doubt will attract much interest when the two teams meet again.

The line-up and summary:
Sandusky (34) Odd Fellows (18)
L. Marlowe F. Titsworth
R. Marlowe F. Shaw
C. Marlowe C. Martin
Turner G. Aiken
Clark G. Petry
Substitutions: Stoops for Shaw; Norris for Aiken; Keating for Titsworth; Titsworth for Shaw; Shaw for Martin; Field goals, L. Marlowe 2, H. Marlowe 7, C. Marlowe 3, Turner 2, Shaw 4, Martin 1, Keating. Foul goals: R. Marlowe 6, Titsworth 6. Referee Campbell, Connerville.

Pittsburg Fell Down Before Lafayette and Nebraska and Notre Dame Lost to Iowa

By HENRY L. FARRELL
(U. P. Staff Correspondent)

New York, Nov. 23.—Just a few more upheaval of forms and the 1921 football season will be a complete success.

Let Pittsburgh beat Penn State, Penn win from Cornell and the Army rout the Navy and the theory that no one knows a thing about football will be proven.

There has been enough already to make this belief sound. Take Pittsburgh for instance. The Panthers were regarded as one of the strongest teams in the east until Lafayette and Nebraska came along. Notre Dame is rated by the east as the greatest all-around team ever seen around the Atlantic seaboard. Yet, Iowa trimmed the Hoosiers, although Rockne's team gained three times as many yards.

Ohio State, western conference champions, fell before Oberlin, a small Ohio college and then swept through a hard schedule until they reached Illinois, the easiest mark on the card. Illinois won and threw State out of the championship.

Penn State's only reverse was a tie with Harvard in a game in which the Crimson was outplayed throughout.

Yale showed such form that the Blue went against Harvard a 2 to 1 favorite, but Harvard won.

Penn was swamped by every team of any ability until Dartmouth came along and Penn slipped up and tied the Hanover team.

Rutgers had won only three games

MILROY HAS TWO GAMES

Play Morristown Tonight and Clash with Carthage Friday

The Milroy high school basketball team will play two games this week at Milroy, meeting the Morristown team tonight at 7:30, and on Friday they will tackle the Carthage high school. Morristown is said to have a light team, but is speedy. Milroy is now travelling at a fast clip, and should win the game by a wide margin.

The real test for Milroy will come Friday when Carthage will invade their territory. Carthage has one of the best teams in years, and so far are undefeated. Both games will attract big crowds. Carthage last Friday defeated Spiceland by a 30 to 19 score.

SOCIETY

Edited By Miss Edna Krammes
Phone 1111

The Rebekahs will hold their regular meeting Friday evening at 7:30 o'clock. There will be a social at the close of this meeting and each lady is requested to bring sandwiches.

Dr. and Mrs. Charles S. Green entertained with a family dinner party yesterday at high noon at their home in North Main street. Only immediate relatives were present for the affair.

Mrs. Sarah Giffin was hostess for the members of the O. N. T. club yesterday afternoon at her home in North Morgan street. The ladies enjoyed the afternoon over their needlework and the hostess served dainty refreshments at the close of the meeting.

Members of the Psi Iota Xi Sorority entertained with a shower and pitch-in-supper last evening at the home of Mrs. Floyd Kirklin in this city honoring Mrs. Alfred Norris, formerly Miss Katherine Giffin. A delicious supper was served to the guests present and the remainder of the evening was enjoyed with an informal social party.

The marriage of Miss Mary Stout, daughter of Mr. and Mrs. H. D. Stout, to Lester Parks, son of Mrs. Everett Stout, took place at the home of the bride's parents southwest of the city Tuesday at 11:30 o'clock. The Rev. E. G. McKibben officiating. Miss Nellie Maines of Richmond sang "Oh Promise Me" with Miss Sylvia Stout accompanying at the piano. The bridal party entered the spacious living room to the strains of Johann Sebastian's wedding march. The ceremony was performed in the presence of only the immediate friends and relatives. The bride was attended by Miss Ethel Chandler and the best

man was Roy Stout, brother of the bride. Following the wedding, a high noon dinner was served to the following guests: Mr. and Mrs. Lester Parks, Mr. and Mrs. H. D. Stout, Mr. and Mrs. Perry Stout and son Russell, the Rev. and Mrs. E. G. McKibben, the Misses Nellie Maines, Sylvia Stout, Ethel Chandler, Goldie Cheek, Lucille Stout, Mrs. Everett Stout, Mrs. Gallimore, Roy Stout and William Stout.

Mrs. M. E. Recter of Anderson entertained last Friday evening at her beautiful suburban home with a one o'clock luncheon honoring Mrs. E. H. Saniter, of Brooklyn, N. Y., who has been visiting in this city. The guests of relatives. The luncheon table was prettily decorated with lavender chrysanthemums and soxias.

Mrs. Samuel L. Innis entertained at breakfast this morning several guests in honor of Mrs. Mary Holmes, who left this morning for Colorado Springs to spend the winter. Among the guests were Mrs. Ruby Petry, Mrs. George Davis, Mrs. J. T. Arbuttle, Mrs. Harriet Carr, Mrs. Eva Gowdy and Mrs. Grant Gregg.

Mrs. Lou Caldwell entertained with a prettily appointed dinner party last evening at her home in this city honoring Mrs. Norma Norris's birthday anniversary. The guests were Mr. and Mrs. Barton Caldwell and family of Southport, Mr. and Mrs. Norma Norris and Mrs. Nancy Norris.

Mrs. Will Dill entertained with a card party last evening at her home in North Morgan street. Four tables of five hundred were in session during the evening. A dainty collation was served at the close of the card games.

FOOTBALL "DOPE" IN AN UPHEAVAL

but a much stronger West Virginia eleven went down in the last game of the season.

Penn State and Iowa are the only big teams that escaped the knife of the upsetter. Iowa is thorough for the year, but Penn State has Pittsburgh to beat Thursday. Pittsburgh might do it. Cornell has treated every opponent shamefully and only Penn remains in the way. It would be in keeping with form as it has run to see Cornell go down.

The last blow to the dope could come Saturday if the Army beat the powerful eleven from Annapolis.

The ladies of the First Presbyterian church will hold a rummage sale Saturday December 3. The place where the sale will be held will be announced later.

PAGEANT CLOSES THE CONVENTION

Fort required Christian people in the schools who are willing to consecrate their lives in the work. Christian conduct is the test of Christianity, he said, but even example alone is not sufficient, for the forces of Christianity must have leadership in order to make themselves felt in the community.

Mr. Albertson pointed out that the Sunday school can be made the greatest force for good in the community because it is the agency which trains the young men and young women of the coming generation. What the ideals of the future are depends on how well the young people of today are taught, he asserted.

In the pageant, James Lock took the part of the world in the shackles of self-indulgence, luxury and the other sins common to humanity. He called on war, law and other agencies for assistance, but all were of no avail. In the end, truth rescues the world, and the part which the Sunday school plays is portrayed in a very impressive way. The actors in the pageant were assisted by the St. Paul's M. E. choir, directed by O. Wamsley, and Mrs. George Y. Hogsett, organist and soloist.

At the roll call Tuesday afternoon, twenty-six Sunday schools responded and had delegates present. This is far better than any representation at previous conventions. Every section in the county and almost every township was represented.

MUSIC PUPILS TO APPEAR IN CONCERT

Continued from Page One

forelock. She trained her pupils one lesson ahead of the regular lesson in anticipation of the event. It appeared to be Miss McConnell's banner room, too, for when the lesson was completed, Miss McConnell turned to the next page and prepared to show what the little folks could do in "sight reading" of notes without any preparation. She emphasized that the pupils had never studied this lesson.

They did go through it remarkably well, and as they had almost finished, one small girl piped: "That's as easy as pie." But leave it to a bright boy whose eyes betrayed the mischief in him. At the close of the lesson, giggling because the joke was so good, he announced with great gusto, "We are puttin' something over on you, Miss McConnell. We've already had that lesson."

The teacher then admitted that she had trained the pupils in the lesson in anticipation of just what happened, but not in anticipation of the little secret being aired. Then there was a laugh all around.

Miss McConnell's "baby orchestra" made up of the pupils in the second room, is nothing short of marvelous, because of the way they show their "ear" for rhythm. Equipped with bells, tambourines, triangles, pan lids as cymbals, and drums, and led by little Francis Beale, standing on a chair with a ruler as a baton, the "orchestra" played two selections this morning for the edification of the visitor. Miss McConnell carries the air on the piano and the children keep perfect time with their instruments. The first selection was a well-known march, which was not difficult, but the second presented greater problems for in this some of the instruments paused at certain periods and then responded to the other instruments. The children went through the performance without a hobble and those who ever have opportunity to hear it will discover a new appreciation for the music course in the schools.

"How many miles to Boston town? Four score and ten. Can I get there by candle light? Yes and back again."

This was the song which the primary sang with great ado, and they sailed into it as if they liked it. They showed great familiarity with whole notes, half notes, quarter notes, quarter rests, sharps, flats and staves. They "ran" the scale with apparent ease, each note being likened to a step of a ladder by Miss McConnell.

In the second grade the pupils read notes and sang songs. In one of the songs the pupils acted as if they were playing a violin. The sight-reading of notes by this class is regarded as extraordinary by Miss McConnell because they have had only four weeks training.

In the third-room skip tones are introduced in the course. This class is also making wonderful progress in view of the fact that the pupils never had note reading until this year. In the third grade individual work begins.

In the fourth grade the pupils sing songs from memory, Miss McConnell emphasizing always that they sing softly. It was noted that one of the boys was very much "out of tune" and Miss McConnell's attention was called to this.

"That doesn't annoy me in the least," she said. "Some supervisors would not permit him to sing at all. Even though they may not sound their notes correctly, I allow them to sing until their voice becomes settled. If they were stopped, it might destroy their incentive to sing."

ARBUCKLE STARTS FIGHT TO GO FREE

Continued from Page One

which Arbuckle had nothing to do with.

They were lining up a score of witnesses through whom they intended to demonstrate that the famous thrower of pies is innocent and that those who accused him of carrying Miss Rappe into a bed room chambermaid style, were to say the least just a bit confused about what really happened.

One of Arbuckle's first witnesses was Miss Kate Brennan, tall, portly and well dressed in brown satin. She said she had been a chambermaid at the hotel St. Francis and was permitted to explain in detail how chambermaids clean rooms at fashionable hostilities.

She even gave a demonstration, dusting up a desk in the court room with deftness, exhibited a cheese cloth duster.

Miss Brennan painted Arbuckle as a jolly good fellow. She described him as having called her into his room after the pajama party which is alleged to have resulted in Miss Rappe's death, and to have asked her to "straighten up the bed."

"Girlie turn over that mattress," she said Arbuckle told her. "Then he tipped me \$2.50 and said 'Girlie, this is for you' the witness testified.

"He went out and came in again with some ice in a glass. He was fooling with it with a straw and then he said to me, 'with that map can't you have a drink of whiskey?' I told him I did not drink."

Today's program included a visit to the suite in the hotel St. Francis where Arbuckle gave his famous pajama party last Labor Day.

It was planned to demonstrate by actually taking the jury over the ground that certain sounds could not be heard in Arbuckle's bed room when the door was closed, and that it was impossible to see into the bedroom from certain angles of the sitting room.

This is an attack on testimony of witnesses who said they heard Miss Rappe in the bed room cry "Oh, my God, no, no, no," and Arbuckle reply "Aw, shut up" and on witnesses who described what they saw in the bed room from their chair in the sitting room.

The rooms were standing ready for the official inspection, furnished just as they were the day of the party. But the chambers that once, according to testimony, rang with laughter were grimly silent today.

Arbuckle came into court today in the midst of an almost unparalleled array of legal and expert advisers. In addition he was flanked by some of the biggest of the movie millionaires who watched with close attention every step in the drama in which the morality of their industry is on trial.

Immediately behind Arbuckle, Governor Morris, author had his seat. To his right, sat a finger print and handwriting expert. Nearby was a medical adviser. Half a dozen lawyers with clerks, secretaries and aides of various kinds jammed the space inside the court room rail. Before court convened, the room buzzed with conversation, it was like a scene at a movie reunion. Many friends thronged around Arbuckle, greeting him most cordially. His wife, Miss Minta Durfee was the center of another gaily chattering group and the movie magnates and actors sitting around the walls were busy shaking hands, slapping backs, and gossiping about the industry.

FATHERS AND SONS TO ENJOY BANQUET

Meeting For Men and Boys Regardless of Church Affiliation, at Plum Creek Thursday

JUDGE SPARKS WILL SPEAK

The men and boys of the Plum Creek neighborhood will celebrate Thanksgiving Day with a Father and Son Get-together at six o'clock at the Plum Creek Christian church. This meeting is for all the men and boys in that community without reference to any church affiliation. The ladies of the Young Married people's class will serve an oyster supper. A fine program has been planned with Judge Will Sparks as the principal speaker of the occasion. William A. Young in the capacity of Toastmaster will keep the gathering moving along with much music, good talks by both fathers and sons. Charley Heirs has been named song leader. Talks will be made by Luther

Nixon, Jess Kirkpatrick on behalf of the fathers and William Eriel and Walter Aikens in the interest of the sons. It is expected that one hundred and fifty fathers and sons will join in this celebration. Arrangements have been made to have every boy in the neighborhood that has no father to be adopted by some other man for the Father and on Get-together, thereby including every father and son in the community.

Take Yeast Vitamon Tablets To Get Job-Winning "Pep"

Easy and Economical—Results Quick.

This, run-down folks who find that business is bad and employment is scarce should try taking two of Mastin's tiny yeast VITAMON Tablets with their meals for a short time and watch how their physical and financial conditions improve.

Mastin's VITAMON Tablets supply in highly concentrated form true yeast-vitamines combined with the other health-giving vitamins which Science says you must have to be strong, well and fully developed. If you are weak, thin, pale, generally run-down, or feel lacking in brain power and ambition, and want that firm flesh "pep" which gets the money you surely need some of these precious vitamins in your system at once.

Mastin's VITAMON mixes with your food, helps it to digest and supplies just what your body needs to feed and nourish the shrunken tissues, the worn-out nerves, the thin blood and the starved brain. Pimples, boils and skin eruptions seem to vanish like magic under this healthful influence. Mastin's VITAMON Tablets will not cause gas and they help to correct constipation. They are easy and economical to take. Be sure to remember the name—Mastin's VITAMON. You can get Mastin's VITAMON Tablets at all good druggists.

Why not be a strong, well-built fellow—with plenty of "Pep," energy and a clear skin glowing with ruddy health and vigor? Just take Mastin's Yeast VITAMON Tablets for a short time and watch the truly amazing results.

Are Positively Guaranteed to Put On Firm Flesh, Clear the Skin and Increase Energy When Taken With Every Meal or Money Back

DISORDER RULES IN SENATE DEBATE

Remarks of Both Penrose and Heflin Expunged From Record During Newberry Controversy

DOZEN SENATORS ON FLOOR

Washington, Nov. 23—Disorderly scenes marked the controversy in the senate over whether Senator Newberry of Michigan should retain his seat.

A bitter clash between Senator Penrose and Heflin amid wild disorders ended with officials rebuking both senators and the expungement of the remarks from the Congressional Record.

Heflin charged Penrose with representing certain interests and Penrose retaliated by remarking that considering the black darkness of Alabama, nothing else could be expected from the senator from Alabama. More than twelve senators were on their feet clamoring to make themselves heard above the din of the argument.

The row started when Heflin remarked that republican senators were running to the cloak room to escape hearing his arraignment of Newberry.

"In view of the nature of the remark of the Senator from Alabama," interrupted Penrose, "I am not surprised that they would want to hear his speech."

"I am not surprised to hear that from the senator from Pennsylvania," replied Heflin. "Everybody knows that but the millions back of him that he would not have a seat in this body. He is known as the 'big boss' of Pennsylvania, and no man in Pennsylvania can get a seat in this body unless he can get the O. K. of Penrose."

CARD OF THANKS

We wish to thank our friends, neighbors and relatives for their beautiful floral offerings and their kindness shown during the sickness and death of Mrs. Ollie Gruell, also the ministers for their consoling words and the singers.

UNITED STATES WANTS DEFINITE AGREEMENT

To Ask For Signatures of Powers Attending Arms Limitation Conference for Understanding

MAY BE IN FORM OF TREATY

Washington, Nov. 23—The United States will ask the signatures of the powers attending the arms limitation and Far East conferences to a definite understanding regarding Far Eastern and Pacific questions. This may be in the form of a treaty or simple agreement, but in any event, it is to be put into binding form.

A resolution adopted by the conference sitting as committee on Far Eastern and Pacific questions is to form the basis for the agreement. This resolution proposed by Elihu Root of the American delegate relates specifically to China.

The American delegation ignoring or opposing Japan's reservation on this point, intends to take up and settle each question respecting China and the Far East generally which has been recognized as a cause of international discord in order to avoid danger of war in that part of the world.

IS UNDER DOCTOR'S CARE

Miss Mary Moore, N. Y. Actress, Being Treated by Famous Doctor

New York, Nov. 23—Miss Mary Moore, young New York actress who recently appeared with Lou Tellegen in Don Juan, today was under care of Dr. Adolph Lorenz of Vienna noted surgeon who is fighting a desperate battle with death in her behalf.

Dr. Lorenz, who 18 years ago achieved fame by curing Miss Lolita Aymond of a dislocated hip, is in America to show his gratitude for American aid to starving Austrian children. He is treating the children of the poor to relieve them of the lameness caused by what is commonly called "hip joint disease".

Miss Moore was injured when her automobile turned over a week ago.
